- 6.3 Charge out rates on a time spent basis vary depending upon the level of experience and professional qualification of the staff and may also vary depending on the nature of the work. - 6.7.4 Disbursements may include, but are not limited to, filing fees, court fees, registration fees, document taxes, courier fees and publication costs. - 6.11 Should any fee due by the Contracting Party or AIF be unpaid for a period of ninety (90) days, such debt (together with Default Interest as provided in clause 6.12) shall be deemed to be a debt due jointly and severally by the Contracting Party and the AIF and GFMSL shall be entitled to procure that the Contracting Party or AIF pays such debt to GFMSL including the realisation of the assets of the AIF.
- 6.12 Should any fees or other amounts owing by the Contracting Party or AIF not be paid by the agreed date and as a result statutory penalties or fines are incurred by the AIF these shall be for the account of the Contracting Party or the AIF and no liability whatsoever shall accrue to GFMSL for such payment or for any consequences arising as a result of non-payment except in the case of GFMSL's neglect. GFMSL is under no obligation whatsoever to advance sums to pay third party expenses where invoices to the Contracting Party or AIF in respect of those services have not been paid.
- 6.13 If any amounts (fees, duties, charges or otherwise) payable under these Terms and Conditions are not paid within two (2) months of becoming due then GFMSL shall not be under any further obligation, save as required by Law, to provide the Services or to keep the AIF in good standing.
- 6.14 In the absence of manifest error the amounts set out in GFMSL's invoice as being due to GFMSL under these Terms and Conditions shall be conclusive.
- 6.15 In the event of any conflict between the Terms and Conditions and the terms of any written agreement with the Contracting Party, the written agreement where dated after the date of the Application Documentation shall prevail save that an existing written agreement that is silent on any matter found in the Terms and Conditions and Conditions is not considered a conflict.
- 6.16 There is at the date of the Agreement no value added tax on the provision of GFMSL's services in Guernsey.
- 6.17 GFMSL's charges are net of any bank charges and withholding taxes. If the Contracting Party is compelled to make any such deductions from payment on account of such charges or taxes, the Contracting Party must gross up the payment, so GFMSL receives the full amount stated in the invoice.
